WPL May 2026 - Jewish Year 5786

“I will stand upon my Watch and set me upon the Tower and will watch to see what He will say to me”. (Habbukuk 2:1)

It is a big responsibility to facilitate prayer warriors and intercessors from all parts of the earth to enlist in faith based manifestations of “*standing in the gap*” (**Ezekiel 22:30**) for the beloved nation of Israel. Thank you for planting you flag with other nations on the CFI Family of Nations Wall of Prayer and for sending the Watchman's Prayer Letter to friends and colleagues who take seriously the call to prayer for Israel.

We pray with Watchful Expectation: May the Lord fling open the gates of hearts to the sacred promises of the Almighty God of Israel which promises are as firm today as when they were given to mankind. There is no change nor variance in Father God. When we plant our flags in God's Word we will have the ability to see each promise given—they are as great as the God who gave them. “(*Behold, He that keepeth Israel doth neither slumber nor sleep*”. (**Psalms 121:4**) *Hine lo yanum V'lo yishan. Lo yanum, v'lo vishan*” in Hebrew.

We Take Our Watches Seriously: The need to stay alert and not wandering off of focus is a spiritual battle must face and fight against daily. When one cannot see the miracles that are happening in Israel today, it can hinder faith being strong enough to rest in Him and proclaim His Eternal Word for the Eternal Capital.

Establishing His Presence: When we pray for Israel we actually establish His Presence with others praying at the same time around the world. Our rod and our staff (**Psalms 23:4**) give us a steady platform that will hold steady when the storm is over. God dwells in our praises and our prayers to Him as we act on His Word and believe the *Ruach ha'elohim* (Spirit of God) to guide us in our supplications. We must remember He “*knows our name*”. (**Isaiah 43:1; Psalms 139, John 10:3**)

Watchman's Prayer Letter Prayer Points

Intercede for the Jewish people to recognize that it is a “*now time*” to come home to Israel to strengthen the nation both physically and spiritually. “...*lift up your eyes now and look from the place where you are—northward, southward, eastward and westward; for all the land which you see I give to you and your descendants forever.*” (**Genesis 13:15; Acts 7:5; Isaiah 49:12**)

Beseech the Lord for guidance for Israel--the nation is at a new crossroads--it will never go back to “before” October 7th, 2023 way of life. We speak the promises over ISRAEL and for those who join her with unmovable faith in God’s Word. Abraham believed God and it was counted to him for righteousness before the Lord. (**Genesis 15:6**)

Pray fervently for the church in many nations. Darkness is covering the earth when (a) Finland’s High Court shocked the world when Paivi Rasanen was found guilty for sharing Biblical views, (b) US President Trump cited the Gospel of John in an Easter message to Christians world-wide but does he understand the full scope of the message?(c) King Charles III stirred up an outrage for neglecting the Easter message altogether. Many Christians were heartbroken when notions of remembering Ramadan were raised instead of Christ. We need to also bring before the Lord the church worldwide which needs to awaken to the truth of two thousands years of persecution of the Jewish people—the fruits of Replacement Theology. For too long Israel has been taken “*lightly*” which the Word of God forbids. (**Zechariah 12:3**)

Pray with heartfelt prayers for the circumcision of the heart which God promises the Jewish people who fear Him with devoted love. May God’s Word give them life

(**Psalms 119:50**) and may He remove any heart of stone from the flesh to implant a new transformed heart led by the Holy Spirit of God. (**Ezekiel 36:26-27**) May this same prayer be on our lips for those in apostate circumstances in the church who still deny Israel her birthright.

Weep as Jeremiah wept for the sins of Israel (and for the sins of the church) and that God will shine His Lamp on their path to teach them of His Ways. (**Psalms 119:105**)

Come with Thanksgiving before the throne in order for His Courts to be full of praise as His Mercy is Everlasting. (**Psalms 100**)

In His Service of Prayer.

Note: The Watchman’s Prayer Letter is a *strategically focused* prayer letter with relevant prayer points which are distributed monthly. CFI’s International Representatives translate into foreign languages and distribute them to their constituent supporters and faithful prayer partners.
